With the support of Chubb, a world leader in insurance, the NYAA presents its highest honor, the Chubb Fellowship, each year to three alumni who have displayed exceptional skill and talent. Looking back to the beginnings of the NYAA, the Green Family Art Foundation will bring together a group of these Chubb Fellows along with their peers and professors for a retrospective of the 43 years of artistic brilliance produced by this institution — *New York Academy of Art Chubb Fellows and Friends*.”
